Retouching, Corrective Art & Special Effects

Basic Facial Retouching is limited to softening lines & removing blemishes on skin only. Moles & scars can be removed if desired: \$19 /person
Extensive Facial Retouching removes moderate to severe acne, blends red skin areas, & corrects an excessively shiny complexion: \$35 /person
High or Low Key Vignette fades the edges of your print to black, white or a color to enhance subject & diminish distracting backgrounds: \$10 /pose
Basic Diffusion adds a soft glow to complexions & scenes. Effect can be varied from subtle to deep, depending on the mood you envision: \$10 /pose
Face Swapping from another pose allows you to correct an unpleasant expression in a group photo like magic. Great for children. Starts at: \$39 /face
Spot Color preserves color in a specific area while turning the remaining image into black & white or a chosen monochrome tone. Starts at: \$39 /pose
Multi-Images create a portrait within a portrait by combining two or more individual poses into a single blended composite. Starts at: \$49 /comp
Watercolor, Oil Painting & Sketch effects give your portrait an artist quality by stylizing the image in a number of ways. Proofing included: \$59 /pose

MANY more corrections, enhancements & special effects are possible, including the creation of complex composites & fantasy scenarios. Ask for a quotation to make your special vision a reality!
