Portrait Sittings & Options

The concept is simple - *you* design your personalized portrait sitting based on the backgrounds, outfits & locations you want. Next add your own props to create unique "personality poses" that tell the world who you are. From traditional head & shoulders poses to customized multi-outfit, multi-location sessions, the possibilities are unlimited! Several convenient proofing options offer a flexible & economical means to select the pose(s) you like best. All on-paper proofs are yours to keep... no deposit, no return deadlines! Once you've selected your favorite poses, a rainbow of package and print options await you. Let us help you create a lasting memory with photography designed to fit your lifestyle *and* your budget! Pre-sitting consultations are always welcome, but not required.
